

Experience

The Commonwealth Secretariat

DATA MANAGEMENT AND ANALYTICS SPECIALIST

Feb. 2021 - Present (2yrs)

- Document gaps in the open international data sets, that are relevant to Commonwealth countries.
- Coordinate the dissemination of information, data and visualisations.
- Put together briefs and Country snapshots on the research conducted and on the data available.
- Identify and curate Datasets that are relevant to the activities of the secretariat.
- Identify any issues with the integrity and quality of data used for analysis.
- Work with the office of the Legal Counsel on Data Protection initiatives.
- Implement data structures and data practices for knowledge management initiatives.
- Implement the Data Governance Framework.

Elizabeth Glaser Pediatric Aids Foundation (EGPAF)

DATA MANAGER - PROGRAMS AND PUBLIC HEALTH EVALUATION

Dec. 2018 - Feb. 2021 (2yrs 3mon)

- Developing and implementing data management plans for pediatric HIV/AIDS research studies and program activities. This includes defining data collection and reporting processes, setting up databases, and ensuring that data is collected and processed in a consistent and accurate manner.
- Training research and program staff on data collection and management procedures, and providing ongoing support and guidance to ensure that data is collected and processed accurately and consistently.
- Design and stress testing of data collection tools, alongside the creation of Standard Operating Procedures for data collection and verification (Software: SurveyCTO, CommCare, CliniOps, ODK/ODK-X).
- Ensuring the integrity and security of research and program data, including implementing appropriate data storage and backup systems. This involves working with IT staff to set up secure data servers and networks, and implementing data security protocols.
- External stakeholder reports development and presentation on research findings.

Independent Electoral Commission (IEC)

ICT CONSULTANT WITH CBS (NATIONAL & LOCAL ELECTIONS)

Jan. 2017 - Oct. 2018 (1yr 5mon)

- Data analysis & cleaning using Microsoft Excel & KuTools.
- Development & implementation of database backup routines.
- Database security protocol planning, implementation & evaluation.

www.selibeng.com

WEB DATA ANALYST

Dec. 2016 - Dec. 2020 (4yrs)

- Development & maintenance of the content management framework (WordPress)
- Management of Search Engine Optimization (SEO) meta tags for better online presence.
- Content upload and data extraction using web crawlers and Optical Character Recognition (OCR) tools i.e. WebScrapper.io, Able2Extract.
- Running user retention analysis reports based on the traffic metrics.
- Data modelling and cube developments using the Kimball warehousing principles.

Computer Business Solutions (CBS)

APPLICATIONS DEVELOPER

Jun. 2016 - Dec. 2018 (2yrs 7mon)

- Development of software systems by designing, developing, and installing software solutions
- Determining operational feasibility by evaluating system requirements versus the proposed solutions
- Preparation of technical training manuals for system end-users & administrators
- Project management role in projects using waterfall and agile methodologies (SCRUM)
- Preparation of customer websites analytical reports for progress monitoring and tracking.

Association Memberships

PROFESSIONAL & BUSINESS

2020	Information Systems Audit and Control Association (ISACA) , International professional association focused on IT (Information technology) governance.	ID: 1230441
2021	Data Management, United Kingdom , DAMA International is dedicated to advancing the concepts and practices of information and data management and supporting DAMA members and their organizations to address their information and data management needs.	ID: 62660859
2021	The Open Group (The Open Group Framework - TOGAF) , The Open Group is a global consortium that enables the achievement of business objectives through technology standards.	ID: 724185
2021	British Computer Society (BCS), The Chartered Institute for IT , BCS is a charity with a royal charter, its agenda is to lead the IT industry through its ethical challenges, to support the people who work in the industry, and to make IT good for society.	ID: GH38716654
2022	The Data Governance Institute , The Data Governance Institute is the industry's oldest, best known source of in-depth Data Governance best practices and guidance. Founded in 2003, it's the number one recognized name in the industry, with practitioners around the world consistently reporting that they have based their programs on the DGI Data Governance Framework and supporting materials	ID: ch-3KN6y3Lb...

Education

Edinburgh Napier University

Scotland, United Kingdom

MSC DATA SCIENCE, PARTTIME

Period: 2021-2024

- The programme is aimed at those working in a data-related role within their organisation, whether in a technical, software or business context and want to enhance their skills and understanding of contemporary data analysis tools and techniques.
- Programme:** <https://www.napier.ac.uk/courses/msc-data-science-postgraduate-parttime>

National University of Lesotho (N.U.L)

Lesotho, Southern Africa

BSC IN MATHEMATICS & COMPUTER SCIENCE

Period: 2012-2016

- Final year project cultural family references inference model (Expert Systems - Python, JavaScript & HTML5).

ISACA

Self-Paced Learning

CERTIFIED IN RISK AND INFORMATION SYSTEMS CONTROL (CRISC)

Issue Date Jul. 2021

- Course content:** CRISC validates experience in building a well-defined, agile risk-management program, based on best practices to identify, analyze, evaluate, assess, prioritize and respond to risks. This enhances benefits realization and delivers optimal value to stakeholders.
- Verify :** <https://www.credly.com/badges/fadbf490-5b47-4c47-a6d9-5ea175044ed9>

British Computer Society

Self-Paced Learning

BCS FOUNDATION CERTIFICATE IN DATA PROTECTION

Issue Date Jul. 2021

- Course content:** Explores the application of current data protection laws, including the EU General Data Protection Regulation (GDPR), UK GDPR and the UK Data Protection Act 2018. (Certificate Number: 00516874, Candidate Number: GH38716654)
- Verify :** <http://www.bcs.org/eCertCheck>

Data Management Association

Self-Paced Learning

CERTIFIED DATA MANAGEMENT PROFESSIONAL, DMF-MASTER LEVEL

Issue Date May 2021

- Course content:** The Data Management Fundamentals exam covers 14 topics. There are 11 Knowledge areas, plus Data Management Process, Ethics, and Big Data. The exam question coverage by each of the 14 topics is: Data Management Process, Big Data, Data Architecture, Document and Content Management, Data Ethics, Data Governance, Data Integration and Interoperability, Master and Reference Data Management, Data Modelling and Design, Data Quality, Data Security, Data Storage and Operations, Data Warehousing and Business Intelligence, Metadata Management.

ITIL FOUNDATION CERTIFICATE IN IT SERVICE MANAGEMENT

Issue date Nov. 2017

- **Course content:** focuses on aligning IT services with the needs of business and their adaption to good IT practices
Certificate URL : <https://www.dropbox.com/s/r8uijxifw4olza5/ITIL%20Foundation.pdf?dl=0>

Professional skills & Interests

Cloud and Database management tools

DATABASE CLIENTS AND SERVERS

- Microsoft Azure
- MySQL, Postgres SQL (Basic), Microsoft SQL Server, Microsoft Access
- MySQL workbench/CLI, HeidiSQL, phpMyAdmin, db Forge Studio, DBeaver

Programming languages & Technical software

DEVELOPMENT TOOLS

- **Solution Development:** HTML5 & CSS3, JavaScript, Android (C#, XAML)
- **Version Control:** Azure DevOps, Git (Command-Line, Github, GitLab, BitBucket, GitGraken), OneDrive business

Project Management & Coordination

REPORTING & MANAGEMENT TOOLS

- **Communication:** Slack, Teams
- **Management:** Trello, Microsoft Project, Microsoft Data Platform, SharePoint, Asana
- **Reporting (Visualisation):** Tableau Desktop, Microsoft PowerBI, Microsoft SQL Server Reporting Services
- **Process Management:** ArchiMate (BPMN2.0) (intermediate)

Data Management

DATA ANALYSIS, COLLECTION & SURVEY TOOLS

- **Data Collection:** SurveyCTO, CommCare, OpenDataKit-ODK, CliniTrial (Cliniops)
- **Data Solutions Architecture:** Azure Synapse, Python (Base Python, PySpark), PowerBI (Datamarts/Dataflows)
- **Data Democratisation:** Azure Purview, OpenDataKit-ODK (Aggregate)
